

Notice of Intent to Award a Sole Source Procurement

Subject: Wellfield No. 2 SCADA Interface

Date: January 7, 2019

Due Date: January 15, 2019

Sole/Single Source No: SS 2019-100

This is not a Request for Proposals as there is no solicitation available. The proposed action is for product or services for which the Englewood Water District intends to award with only one source in accordance with Florida State Statute 287.057(5)c. Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes.

The Englewood Water District intends to award a sole source procurement to **Data Flow Systems (DFS) of Melbourne, FL**, for the following scope of work, with an estimated value of \$81,000.00:

DFS will provide and install 8 RTU202's with antenna/tower for 8 wells in Wellfield No. 2 and a new Central Terminal Unit (CTU) with antenna to be located at the R.O. Plant. The new CTU will be connected to the existing Hyper SCADA Server (HSS). It will provide a separate "high speed" radio polling loop to the new well RTUs and includes a new VHF frequency. This separate radio polling loop will provide expeditious controls and status feedback between the CTU and well RTUs.

Interested firms or individuals may identify their interest and capability to respond to the requirement by submitting in writing their name, address, point of contact, telephone number, email, and a statement regarding their capability of meeting or exceeding the requirements stated herein. All responses received within seven (7) business days after the date of publication of this notice will be reviewed by the Englewood Water District. A determination by the District not to compete this proposed action based on the responses to this notice is solely within the discretion of the District.

All responses must be in writing and returned to ATTN: Bee Ling Wheaton, Contracts & Procurement Specialist, Englewood Water District, 201 Selma Ave, Englewood, FL 34223, by fax (941) 460-1025, or email to bwheaton@englewoodwater.com. Please note the sole/single source number on the documentation. No verbal requests will be honored.

RE: TAC II SCADA System
Sole Source Status

Dear Ms. Bee Ling:

Please consider this document official confirmation that Data Flow Systems, Inc. (DFS), of Melbourne, Florida, is the sole source provider for the TAC II SCADA System and associated Remote Terminal Units (RTUs), Telemetry Control Units (TCUs), TAC Pack TCU RTUs, Hyper SCADA Servers (HSS), and DFS HTX SCADA Software as currently utilized by the Englewood Water District. DFS is also the sole source provider for all associated repairs, service and training.

DFS is responsible for the design, manufacture, and service of the entire TAC II SCADA System product line. There are no other manufacturers, dealers, distributors or service organizations that offer these products and associated services in the State of Florida. The TAC II SCADA System is Made in the USA.

Should you have any questions or require additional information, please contact me at 321-259-5009.

Sincerely,
Data Flow Systems, Inc.
